What the Picture Theaters Have to Tell You.

### ALTA TODAY.

Many New and Novel Scenes in "Whose Little Wife Are You?"

In the numerous novel scenes that make "Whose Little Wife Are You?" the latest Paramount-Mack Sennett comedy, a most notable picture, the famous Sennett beauties are conspicuously present, the result being a delightful entertainment. "Whose Little Wife Are You?" will be shown at the Alta Theater today.

The story of the farce deals with a brought who is infatuated with a pretty manicurist despite the fact that he is married, and whose son becomes his rival. Then there is something doing every minute as the sequel shows. The irate and jealous parent throws his aspiring son into the Pacific ocean, but when the boy threatens to become food for the fishes, his stony heart relents and he drags him out again. He obtains a pulmotor to pump the brine out of his offspring, but when it is attached to a fire hydrant by accident, then

## BREW THIS TEA FOR BILLIOUSNESS

Costs next to nothing, yet keeps bowels in fine order and ends constipation.

The head of every family that values its health should always have in the house a package of Dr. Carter's K. and B. Tea.

Then when any member of the family needs something for a sluggish liver, sick headache, or to promptly regulate the bowels, simply brew a cup and drink it just before bedtime. It's an old remedy, is Dr. Carter's K. and B. Tea, and has been used for years by thousands of families, who get such good results from its use that they have no desire to take anything else.

Give it to the children freely—they like it and it will do them good.

things become quite complicated.

Most of the famous MackSennett comedians appear in this comedy. These include Charles Murray, Wayland Trask, Mary Thurman, Eva Thatcher, Alice Lake and others. The comedy has a whirlwind finish that bids fair to convulse every film fan who sees it. It is in every sense a worth while comedy, clean and wholesome.

### Big Picture Coming.

The noble sacrifice of a little wife who left the picturesque beauty and quiet of a home among friends in a little community in the Canadian Northwest to minister to the wants of homeless and orphaned children during the days when the flaming torch of Prussian ruthlessness was being carried by war-maddened hordes over the once beautiful valleys and hills of France and Belgium, is the dominating theme of "The Heart of Humanity," the eight-reel production by Allen Holubar in which Dorothy Phillips scores the most distinctive triumph of her screen career.

This feature will be presented at the Arcade theater next week with a supporting cast of more than ordinary excellence, including such favorites as William Stowell, Robert Anderson, Margaret Mann, Pat D'Malley, Walk Whitman, George Hackathorn, Gloria Joy, and others. The story of the play is by Allen Holubar and Olga Scholz and was adapted for the screen by Mr. Holubar.

Nanette, ward of Father Michael, the parish priest, and wife of John Patricia, oldest and handsomest of five sons of the Widow Patricia, in the Canadian Expeditionary Forces, is so moved by John's descriptions of the misery and suffering he has found among the children of France and Belgium, that she decided to go abroad as a Red Cross nurse. She leaves her own baby at home and enlists.

In a convent in Flanders that has been converted into a refuge for orphaned and homeless children, the little wife works night and day to allay their sufferings and bring cheer into their hearts.

While engaged in this work she is captured by the Germans and brought before Eric von Strang, a Prussian officer who had once been her husband's. There is an outer stationary cylinder college friend and who had tried to make love to her in the little Canadian village. Strang's old desire for her returns and he tries to force his attentions upon her. There is a terrific fight.

She escapes to another room and plunges a knife into her bosom just

This Letter Will Show You How Other Women Keep Up Strength

Cleveland, Ohio—"I keep house for my husband and myself and got into a weak rundown condition, no strength, languid and no ambition. After doctoring for a while and getting no better I tried Vinol and to my surprise it built me up and strengthened my whole system."—Mrs. Wm. D. Dawson.

The reason we guarantee Vinol is because it is a constitutional remedy containing beef and cod liver peptonates, iron and magnesia peptonates and glycerophosphates, the most successful tonic known.

THE UNIVERSAL CAR

The Ford One Ton Truck may well be classed as an agricultural necessity, it fits into and fills so many wants on the farm.

### The Farmer's Truck

It is a reliable bearer of farm burdens, not only doing the work of several horses quicker and better than the horse, and does not "eat its head off" when not working. The aggressive farmer has only to consider the possibilities of the Ford truck and he is ready to buy one. We judge this to be so from the way farmers are buying them. Truck Chassis \$634.10 f. o. b. ### France Short of Coal, Pittsburg Will Aid

PITTSBURG, Feb. 28.—France needs at least 60,000,000 tons of coal a year for the next five years, according to a report received here from Dr. Harry A. Garfield, federal fuel administrator.

The announcement is of extreme importance, because the Pittsburg district must do its part in helping to supply this deficit.

French householders are paying 80 francs a ton, or about \$16 in American money. The industries are charged 120 francs a ton. The government is in control of the coal situation.

The northern fields of France producing about 6 per cent of the coal in the country were destroyed by the retreating Germans.

An American commission which has returned after investigating the coal situation in France reports that not a structure remains standing in Lens, the principal coal center.

As a result France must look outside her borders for fuel.

Coal operators in Pittsburg have long been producing a profitable market for fuel abroad.
